Winter Challenge: Fine Art Challenge

Due March 7, 2019 at the PPQG meeting

The 2019 Winter Challenge is to create a quilt that is **inspired** by a work of fine art. Your challenge quilt should interpret and expand on this art work, creating a new work of art in fabric. The challenge is not to COPY a work of fine art, but to use it as inspiration for a small quilt.

Fine art is usually considered to mean visual art (painting, drawing, photography, sculpture), although YOU might argue that music is also a fine art. You can also argue that ALL quilts are works of art, and therefore every quilt pattern on the market creates a work of art... but this would not be in the spirit of this challenge. Therefore, do not use another quilt as your inspiration, and do not use a printed panel.

Pretty much anything else goes:

- ❖ Any embellishment is allowed, including paint, beading, lace, ribbon, embroidery or applique.
- ❖ Garments, purses, and tote bags ARE eligible for this challenge. All entries must be quilted - 3 layers of fiber or fabric connected with thread.
- ❖ Keep it clean, and by that I mean G-Rated, suitable for view by children.
- ❖ Your quilt must have a **maximum perimeter of 144 inches**. This means your quilt could be as big as 36" square, or a rectangle measuring 18" x 54" or 30" x 42", or a circle with a diameter of 45" or a radius of 22.5". Your quilt can be any

shape as long as the measurement of the outside edge does not exceed 144 inches.

- ❖ Attach a sleeve to the back of your quilt.
- ❖ Your item must be available for display at the Rolla Public Library and local shops in March, April, and May 2019.

JUDGING: Please print an image of the work of art you have chosen as your inspiration, and bring the image with your entry on March 7. The program will be by each of you, explaining why you chose your work of art, how it inspired you, and how you interpreted that art in your quilt. Judging will be by a vote of those present: Who best carried out this challenge?

Questions: Contact chair Cynthia Felts at chfelts@fidmail.com
